Mandatory Continuing Education for All Registered Specialists

Pursuant to American Stock Exchange LLC ("Amex") Rule 359A, the Amex is implementing a **mandatory continuing education program for all registered specialists.**

This continuing education program will be a "live" presentation, not an online course, and there will be no examination. The program will consist of a one-hour session, and it will be offered several times to accommodate schedules. Each registered specialist needs to attend only one of the sessions.

The continuing education sessions will be held on the following dates:

Monday, December 19, 2005 from 4:30 to 5:30 p.m.
Wednesday, January 11, 2006 from 4:30 to 5:30 p.m.
Thursday, January 19, 2006 from 8:00 to 9:00 a.m.
Monday, January 23, 2006 from 4:30 to 5:30 p.m.

All sessions will be held in the 14th floor Boardroom of 86 Trinity Place. There will be no charge for this program.

Registered specialists must sign up for one of the above dates by Thursday, December 15. Sign up sheets will be located at the Regulatory Liaison Group booth (booth number 601 across from Post 9.) Alternatively, registered specialists may sign up by emailing the Membership and Registration Department at john.cunningham@amex.com

All registered specialists must attend one of the sessions to maintain registration as a specialist. This applies whether currently working as a specialist or not.

If you have any questions about this mandatory continuing education program, please call Rick Farber at 212-306-5310.
